

## MOTION ON NOTICE

### Pickleball Courts at Dennison Park

Submitted by: Councillor Kruger

Date submitted: July 28, 2025

WHEREAS pickleball is rapidly growing in Delta and across Canada, fueled by strong community demand and participation from residents of all ages;

AND WHEREAS Dennison Park serves as a popular recreational hub in our city, and investing in this space will enhance quality of life, public health, and provide year-round activities;

AND WHEREAS the current infrastructure limits evening and seasonal play due to insufficient lighting, and existing pickleball courts are at capacity.

THEREFORE BE IT RESOLVED THAT:

Funding for enhanced lighting and the permanent expansion of at least four (4) pickleball courts at Dennison Park be referred to the 2026 Budget Planning Workshop for consideration and prioritization.

**Comments provided by the Parks, Recreation & Culture Department:**

*If the motion is supported by Council, staff will include a 4-court pickleball expansion with lights at Dennison Park within the 2026-2030 Financial Plan for Council's consideration in the upcoming Budget Planning Workshop.*

*17 pieces of correspondence in support of enhanced lighting and court expansion has been received as of September 10, 2025 and circulated to Council.*
