Dear Mayor Harvie and Members of Delta City Council,

I hope this message finds you well.

Agenda
FILE # 6110-01

We are currently seeking funding to support the operations of the **Delta Youth Hub** and are in the process of preparing our application for the **Delta Hospital and Community Health Foundation (DHCHF) 2025 Community Grants**. As part of this process, we are reaching out to respectfully request a **letter of support** from Council.

Such a letter would highlight the strength of our partnerships and our shared commitment to improving the health, well-being, and connectedness of youth in the Delta community. A brief letter outlining Council’s support for the Delta Youth Hub, the value of the services provided, and the anticipated benefit to the community would significantly strengthen our application.

We understand that this request will be considered at the upcoming **Council meeting on October 20**, and we sincerely appreciate your attention to it. As our grant application is due on **October 21**, receiving the letter of support following the meeting will allow us to include it in our submission.

Please don’t hesitate to reach out if you have any questions or need additional information.

Thank you for your continued support of the Delta Youth Hub and for your ongoing leadership in fostering a healthy, connected, and thriving community.

Sincerely,

Kiran Johal • Delta Youth Hub Team Lead (she/her/they/them)
