Date: **November 4, 2025**

**Final Consideration and Adoption of Inter-municipal Business Licence Fraser Valley Bylaw and Agreement**

---

The following report has been reviewed and endorsed by the City Manager's Office.

▪ **RECOMMENDATIONS:**

- A. THAT Bylaw No. 8534, 2025 be finally considered and adopted.
- B. THAT Bylaw No. 8535, 2025 be finally considered and adopted.

---

▪ **BACKGROUND:**

The City of Delta participates in the Fraser Valley Inter-Municipal Business Licence ("IMBL") partnership, which allows trade contractors and construction industry professionals to operate across twelve Fraser Valley municipalities without requiring separate business licences from each local government.

Staff proposed to expand the IMBL definition of an "inter-municipal business" to include home health care professionals and services when the services are provided in the client's home.

At the November 3, 2025 Regular Meeting, Council gave first, second and third readings to the Delta Inter-municipal Business Licence Fraser Valley Bylaw No. 8365, 2023 Amendment Bylaw No. 8534, 2025 and the Delta Inter-municipal Business Licence Agreement Fraser Valley Bylaw No. 8535, 2025. The Bylaws as presented would allow for the inclusion of health care professionals and services who only provide in-home care.

Staff have not received any comments at this time and it is recommended that Council give fourth and final reading to Bylaw No. 8534, 2025 and Bylaw No. 8535, 2025.
